

POWER PLATE NORTH AMERICA INC.

LIMITED WARRANTY

Consumers have legal rights in accordance with the Magnuson-Moss Act concerning consumer goods and this limited warranty does not restrict these rights. The new equipment that you have bought carries a manufacturer's limited warranty granted by Power Plate North America Inc. ("PPNA"). This limited warranty covers manufacturing flaws that occur and labor that is required during the warranty period. PPNA will, at its discretion, either repair, rebuild or replace the faulty part or equipment in accordance with the terms set forth below.

WARRANTY TERMS

This owner's limited warranty is only valid, if the item is used in an environment approved by PPNA for that particular equipment. PPNA distinguishes three operating environments:

1. Home. Only members of the family for whom the equipment is purchased use the equipment.
2. Light Commercial. The equipment is used by a limited user group, the manner and environment of usage is similar to home or controlled testing use, for example in schools, hotels, housing organizations, companies, etc.
3. Commercial Fitness Center. The equipment is accessible without limitations by exercisers in a commercial fitness center. The usage does not have to be controlled.

This owner's limited warranty applies to all the Power Plate® products, including the Power Plate® my-series products (my5™ model and my3™ model) and the Power Plate® pro-series (pro5™ model and pro5 AIRdaptive™ model).

- A. Power Plate® my-series products. This owner's warranty for the Power Plate® my-series products (my5™ model and my3™ model) only applies to use of the Power Plate® my-series products in the home. This warranty covers the materials and parts needed to repair, rebuild or replace the equipment, at PPNA's option, for a period of two (2) years and the cost of labor needed to repair, rebuild or repair the equipment for a period of one (1) year.
- B. Power Plate® pro-series products. This owner's warranty for the Power Plate® pro-series products (pro5™ model and pro5 AIRdaptive™ model) only applies to use of the Power Plate® pro-series products in a home, light commercial or commercial fitness center. This warranty covers the materials and parts needed to repair, rebuild or replace the equipment, at PPNA's option, for a period of two (2) years and the cost of labor needed to repair, rebuild or repair the equipment for a period of two (2) years.

The warranty period commences from the date on which the original buyer purchases the equipment; warranty repairs will not extend the warranty period.

WARRANTY RESTRICTIONS

This owner's warranty only covers the following:

- a. Flaws caused by materials or labor in the equipment that existed when the equipment was originally assembled.

- b. Faults that occur in normal use as defined in the owner's manual, and providing that PPNA's instructions on installation, maintenance and use have been followed.
- c. The original purchaser of the equipment who holds an original proof of purchase.

This warranty does not extend to or cover any of the following:

- a. Equipment or components that have been modified without the consent of PPNA.
- b. Faults resulting from natural wear and tear, use in conditions for which the equipment is not intended, corrosion, or damage incurred during loading or shipping not provided by PPNA, or by accident, fire, flood, war or acts of God.
- c. Maintenance activities, such as cleaning, lubricating or normal checking of parts; or installation procedures that customers can do themselves and that do not require dismantling/reassembling the equipment.
- d. Damage or equipment failure caused by (i) electrical wiring not in compliance with applicable electrical codes, (ii) electrical wiring not in compliance with the owner's manual or (iii) electrical wiring that has not been maintained as outlined in the owner's manual.
- e. Repairs performed by someone other than an authorized PPNA representative.
- f. Repairs due to limitations or corrections in the equipment's software.
- g. Repairs to consumable or cosmetic items, e.g., grips, seals, labels or wheels.
- h. Repairs performed on equipment missing a serial number or with a serial tag that has been altered or removed.
- i. Service calls to correct installation of the equipment or instruct owners on how to use the equipment.
- j. Pick-up, delivery, or freight charges involved with repairs.

PPNA MAKES NO EXPRESS WARRANTIES OR CONDITIONS BEYOND THOSE STATED IN THIS OWNER'S WARRANTY. PPNA DISCLAIMS ALL OTHER WARRANTIES AND CONDITIONS, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. SOME STATES (OR JURISDICTIONS) DO NOT ALLOW LIMITATIONS ON IMPLIED WARRANTIES OR CONDITIONS, SO THIS LIMITATION MAY NOT APPLY TO THE USER OR OWNER.

PPNA'S RESPONSIBILITY FOR MALFUNCTIONS AND DEFECTS IN THE EQUIPMENT IS LIMITED TO REPAIR AND REPLACEMENT AS SET FORTH IN THIS OWNER'S WARRANTY. THESE WARRANTIES GIVE THE USER OR OWNER SPECIFIC LEGAL RIGHTS, AND THE USER OR OWNER MAY ALSO HAVE OTHER RIGHTS, WHICH VARY FROM STATE TO STATE (OR JURISDICTION).

PPNA DOES NOT ACCEPT LIABILITY BEYOND THE REMEDIES SET FORTH IN THIS WARRANTY STATEMENT OR LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES. SOME STATES (OR JURISDICTIONS) DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE PRECEDING EXCLUSION OR LIMITATION MAY NOT APPLY TO THE USER OR OWNER.

Despite continuous quality control, faults or operating errors in equipment may result from individual components. Delivering the complete piece of equipment for repair is often unnecessary, because the flaw can usually be fixed by replacing just the faulty part. It is preferable that you make any inquiries about the warranty directly to your PPNA retailer or to PPNA.
